DRIVING DIRECTIONS

From the North:
Take Route 93 South to Exit 4. At the end of the exit ramp, turn right. Travel about 2 miles and turn right onto Mammoth Road, Route 128. Travel one tenth of a mile and turn right onto Buttrick Road. Our office is located in the Elliot Medical Center at Londonderry building immediately on the left. The DFCI at Londonderry entrance is the second entrance (when facing the building, to your right).

From the South/Massachusetts:
Take Route 93 North into New Hampshire to Exit 4. At the end of the exit ramp, turn left. Travel about 2 miles and turn right onto Mammoth Road, Route 128. Travel one tenth of a mile and turn right onto Buttrick Road. Our office is located in the Elliot Medical Center at Londonderry building immediately on the left. The DFCI at Londonderry entrance is the second entrance (when facing the building, to your right).

From the West:
Take Route 102 East and turn left onto Mammoth Road, Route 128. Travel one tenth of a mile and turn right onto Buttrick Road. Our office is located in the Elliot Medical Center at Londonderry building immediately on the left. The DFCI at Londonderry entrance is the second entrance (when facing the building, to your right).

From the East:
Take Route 102 West going over Route 93. Travel about 2 miles and turn right onto Mammoth Road, Route 128. Travel one tenth of a mile and turn right onto Buttrick Road. Our office is located in the Elliot Medical Center at Londonderry building immediately on the left. The DFCI at Londonderry entrance is the second entrance (when facing the building, to your right).

Parking
Ample parking is available in front of the building, and space is provided at the main entrance for drop-offs. For patients who require them, wheelchairs are available in the main lobby.
