DANA-FARBER’S MAMMOGRAPHY VAN
QUICK CHECK OF PATIENT ELIGIBILITY

To be seen on the mammography van, the answers to these questions should be as follows:

1. Are you 40 years of age or older? **YES**

2. If you are 35-39 years old, has your mother or sister had breast cancer and do you have a referral from your medical provider? **YES to both**

3. Are you currently experiencing any breast problems? **NO**
   [If yes, please speak with your primary care provider or the van site coordinator to see if eligible for the van.]

4. Do you have a primary care provider (MD, DO, NP, PA)? **YES**
   [If not, the Coordinator will assist you with getting one before you have your mammogram.]

5. Has it been one year plus one day or more since your last mammogram? **YES**

6. Were the results of your last mammogram normal? **YES**
   [If not, were the results of follow-up exams normal and the recommendation was to return for your next mammogram in 12 months?]

7. Are you pregnant or did you have a child in the past 6 months? **NO**

8. Have you breastfed (or nursed) in the past 6 months? **NO**

9. Have you had breast surgery or biopsy within the past two years? **NO**
   If yes, was the result negative? **YES**
   If yes, has the patient had a negative mammogram since the breast biopsy and is the report available? **YES**

10. Have you ever been diagnosed with breast cancer? **NO**

11. Do you have breast implants? **NO**
