WHO WE ARE

Founded in Boston in 1947, Dana-Farber Cancer Institute is world-renowned for its leadership in adult and pediatric cancer treatment and research. A principal teaching affiliate of Harvard Medical School and designated a Comprehensive Cancer Center, Dana-Farber is a pioneer in cancer care and research. We develop and disseminate innovative patient therapies and scientific discoveries throughout the world. Since 1948, the Jimmy Fund has raised millions of dollars through thousands of community efforts to advance Dana-Farber’s lifesaving mission.
