

**This is a thank-you for all that each of you did for me, Dan, Max and Simon this past 5 months.**

**Remember when you asked me, "what can I do to help" and I said that I didn't know, but I would let you know?**

**And then Barbara called and you responded. I cannot imagine how we would have managed without her and you.**

**Thank-you for the notes, cards, calls, e-mails, flowers, plants, gifts, wishes, hopes, prayers, thoughts, messages, company at appointments, treatment and scans,**

**support, encouragement, concern, meals, rides, visits, hugs, kisses, laughs, tears, caring, friendship, love and TIME that you gave to us.**

**All of this allowed Max and Simon to have a nearly normal schedule and**

**enabled Dan to travel with less worry and devote all his time and energy to us when he was home.**

**Not a day passed without a thoughtful gesture from you. Your generosity and consideration eased my loneliness, provided courage on my worst days and aided my recovery.**

**With love and gratitude, Kathryn**
