DANA-FARBER
CANCER INSTITUTE

WHO WE ARE

Dana-Farber Cancer Institute blends leading science and exceptional care into transformative medicine. Founded in Boston in 1947, Dana-Farber is a principal teaching affiliate of Harvard Medical School and a federally designated Comprehensive Cancer Center that develops and disseminates innovative patient therapies and scientific discoveries throughout the world. Since 1948, the **Jimmy Fund** has raised millions of dollars through thousands of community efforts to advance Dana-Farber's lifesaving mission.
