Dana-Farber Cancer Institute blends leading science and exceptional care into transformative medicine. Founded in Boston in 1947, Dana-Farber is a principal teaching affiliate of Harvard Medical School and federally designated a Comprehensive Cancer Center that develops and disseminates innovative patient therapies and scientific discoveries throughout the world. Since 1948, the Jimmy Fund has raised millions of dollars through thousands of community efforts to advance Dana-Farber’s lifesaving mission.

RESEARCH

Dana-Farber remains true to its founder, Sidney Farber, MD, and his vision of a cancer center that is just as dedicated to discoveries in cancer research as it is to delivering expert, compassionate care.

Through strategic investment in research, we support scientific leaders and young investigators, develop new therapies, and ensure a spirit of collaboration and innovation.

NIH-Sponsored Research Grants 136
Research Fellows 594
Clinical Fellows (adult and pediatric oncology) 70
Principal Investigators 156
Open Clinical Trials More than 1,100

WHAT SETS US APART

• Founding member of Dana-Farber/Harvard Cancer Center, one of 49 NCI-designated Comprehensive Cancer Centers in the U.S.
• A principal teaching affiliate of Harvard Medical School
• One of 19 federally designated Centers for AIDS Research
• The only hospital ranked in the top four nationally by U.S. News and World Report in both adult and pediatric cancer care
• Top academic recipient of grant funding from the National Cancer Institute (NCI)
• The most highly cited research of any leading U.S. cancer center
$280 million was raised through philanthropy in fiscal year 2018.
OUR LOCATIONS

LONGWOOD MEDICAL AREA, BOSTON

Partnering with nearby institutions at our main campus in Boston’s Longwood Medical Area, Dana-Farber provides comprehensive care for adults and children with cancer, blood disorders, and related diseases.

• ADULT CARE: Most outpatient care for adult patients is located in the Dana and Yawkey buildings at Dana-Farber. Patients who need hospitalization are treated at nearby Brigham and Women’s Hospital or the Dana-Farber Inpatient Hospital, located in the Tower building within Brigham and Women’s Hospital. To learn more, visit www.dana-farber.org/locations.

• PEDIATRIC CARE: Outpatient care for children and teens is delivered at Dana-Farber’s Jimmy Fund Clinic. Patients who need hospitalization are treated at nearby Boston Children’s Hospital. To learn more, visit www.dana-farber.org/locations.

If you speak a language other than English, language assistance services at Dana-Farber are available to you free of charge. 617-632-3673
