WHO WE ARE

Dana-Farber Cancer Institute blends leading science and exceptional care into transformative medicine. Founded in Boston in 1947, Dana-Farber is a principal teaching affiliate of Harvard Medical School and federally designated a Comprehensive Cancer Center that develops and disseminates innovative patient therapies and scientific discoveries throughout the world. Since 1948, the Jimmy Fund has raised millions of dollars through thousands of community efforts to advance Dana-Farber’s lifesaving mission.

PATIENT CARE

Dana-Farber cares for adults and children challenged with cancer, blood disorders, and related diseases. Our world-renowned specialists provide comprehensive and personalized care for each patient and support for their families.

Our specialized treatment centers are staffed by teams of experts who work closely together to offer patients the latest therapies and strategies, including access to innovative clinical trials.

Infusion Treatments 187,664
Outpatient MD Visits 359,519
New Patients 25,118
Unique Patients 74,084

REGISTERED NURSES

Registered Nurses, Nurse Practitioners, Clinical Specialists, and Nurse Scientists 744

PATIENT SERVICES VOLUNTEERS

Number of Volunteers 503
Combined Hours of Service 26,210
RESEARCH

Dana-Farber remains true to its founder, Sidney Farber, MD, and his vision of a cancer center that is just as dedicated to discoveries in cancer research as it is to delivering expert, compassionate care.

Through strategic investment in research, we support scientific leaders and young investigators, develop new therapies, and ensure a spirit of collaboration and innovation.

NIH-Sponsored Research Grants 136
Research Fellows 620
Clinical Fellows (adult and pediatric oncology) 75
Principal Investigators 156
Clinical Trials More than 1,100
