# WHO WE ARE

Founded in Boston in 1947, Dana-Farber Cancer Institute blends leading science and exceptional care into transformative medicine. We have a unique and equal balance of clinical care and research, serving as a principal teaching affiliate of Harvard Medical School and a federally designated Comprehensive Cancer Center that develops and disseminates innovative patient therapies and scientific discoveries throughout the world. Since 1948, the Jimmy Fund has raised millions of dollars through thousands of community efforts to advance Dana-Farber's lifesaving mission.

## PATIENT SERVICES VOLUNTEERS

Despite greatly restricted on-site hours due to COVID-19 restrictions, our valued patient services volunteers were still able to donate time in 2021, conducting approximately 20,000 remote contacts (online or via phone) with patients and their loved ones. Additionally, a limited number of volunteers were able to provide thousands of in-person service hours helping patients at our Chestnut Hill location in 2021.

## RESEARCH

Dana-Farber remains true to its founder, Sidney Farber, MD, and his vision of a cancer center that is just as dedicated to discoveries in cancer research as it is to delivering expert, compassionate care.

Through strategic investment in research, we support scientific leaders and young investigators, develop new therapies, and ensure a spirit of collaboration and innovation.
