WHO WE ARE

Dana-Farber Cancer Institute blends leading science and exceptional care into transformative medicine. Founded in Boston in 1947, Dana-Farber is a principal teaching affiliate of Harvard Medical School and federally designated a Comprehensive Cancer Center that develops and disseminates innovative patient therapies and scientific discoveries throughout the world. Since 1948, the Jimmy Fund has raised millions of dollars through thousands of community efforts to advance Dana-Farber’s lifesaving mission.

PATIENT SERVICES VOLUNTEERS

After a two-year hiatus caused by COVID-19 restrictions, our valued patient services volunteers returned mid-year for in-person volunteering opportunities. And they continued to volunteer thousands of hours supporting Dana-Farber patients remotely (online or via phone).

Combined onsite volunteer hours: 6,200
Combined hours of remote service: 20,300
RESEARCH

Dana-Farber remains true to its founder, Sidney Farber, MD, and his vision of a cancer center that is just as dedicated to discoveries in cancer research as it is to delivering expert, compassionate care.

Through strategic investment in research, we support scientific leaders and young investigators, develop new therapies, and ensure a spirit of collaboration and innovation.
