Individual Clinical Services at Dana-Farber’s Main Campus

Welcome to the Zakim Center!
As Dana-Farber’s policies and procedures continue to evolve, we thank you for your patience. We are working to ensure the safety of both staff and patients. Please take a moment to review changes to our policies and procedures.

In-Person Acupuncture
First Visit: $85 (60 min)
Follow-Up Visits: $65 (45 min)

In-Person Massage
$65 (45 min)
Also available with Reiki or Reflexology

Scheduling
Call (617) 632-3322 or email zakim_center@dfci.harvard.edu

Payment
Contactless payment is preferred. Please pre-pay in Patient Gateway using the E-Check In option. If you cannot pre-pay, we will still accept card or check at the time of the appointment.

COVID-19 Screening Process
Step 1
To speed up the screening process in-person, we strongly recommend completing the prescreen on your mobile device. This will allow you to use the “fast lane” for screening when you arrive at the Yawkey building. This can be done by scanning the QR code below.

Step 2
Upon arrival at DFCI, go to the Yawkey lobby to be screened. All patients are screened only in the Yawkey building, even though your scheduled appointment is in the Zakim Center. Screening can take up to 20-30 minutes at times. Please plan your arrival accordingly. If you’ve already completed the prescreen on your mobile device, look for the designated prescreen line.

Arrival at the Zakim Center
Please arrive on time. The Zakim Center strictly enforces our 15-minute late policy. Arriving 15 or more minutes past the scheduled appointment time will result in rescheduling.

Virtual Services
60 minutes via Zoom | No Charge
Call or email to schedule these services:
Exercise Consultation
Music Therapy Consultation
(617) 632-3322
zakim_center@dfci.harvard.edu

Virtual Group Programs
No Charge
All group exercise, meditation, music, and nutrition programs remain virtual. For live and on-demand options, visit MyZakim by scanning the QR code here or by visiting: myzakim.dana-farber.org

Things to Know
Currently, we are able to offer acupuncture and massage appointments in-person at Dana-Farber’s main campus. Please consider our virtual services and virtual group programs if you’re interested in exercise, meditation, music, or nutrition. We apologize for any inconvenience and remain committed to safely reopening more services over time.

Dana-Farber’s companion policy allows for each patient to bring one healthy adult companion to appointments.

Masks must be worn during the entire treatment visit, even when the provider is out of the room. If you cannot tolerate wearing a mask for the duration of the appointment, your visit should be delayed.
