

Individual Clinical Services: Updated Procedures

Welcome back to the Zakim Center!

As Dana-Farber’s policies and procedures continue to evolve, we thank you for your patience. We are working to ensure the safety of both staff and patients. Please take a moment to review changes to our policies and procedures.

In-Person Acupuncture

First Visit: \$85 (60 min) | Follow-Up Visits: \$65 (45 min)

Scheduling

Call (617) 632-3322 or email
zakim_center@dfci.harvard.edu

Payment

Contactless payment is preferred. Please pre-pay in Patient Gateway using the E-Check In option. If you cannot pre-pay, we will still accept card or check at the time of the appointment.

COVID-19 Screening Process

Step 1

Zakim Staff will conduct a pre-screening during your appointment reminder call. Pre-screenings over the phone **do not** take the place of the in-person screening.

Symptoms screened for: fever or feeling feverish, cough, shortness of breath, loss of taste or smell, nausea, nasal congestion or runny nose, sore throat, muscle aches, rash

Step 2

Upon arrival at DFCI, go to the Yawkey lobby to be screened. All patients are screened only in the Yawkey building, even though your scheduled appointment is in the Zakim Center. **Screening can take up to 20 minutes. Please plan your arrival accordingly.**

Arrival at the Zakim Center

Due to limited space in our waiting room, we ask that you arrive no earlier than 10 minutes prior to your appointment. Follow the instructions of Zakim Staff upon arrival.

Virtual Services

60 minutes via Zoom | No Charge

Call or email to schedule these services:

Self-care Massage

Remote Reiki

Self-care Acupressure

Exercise Consultation

Music Therapy Consultation

Integrative Medicine Consultation

Things to Know

Currently, we are able to offer acupuncture appointments in-person. Please consider our virtual self-care massage or remote Reiki appointments if you’re interested in meeting with a massage therapist. We apologize for any inconvenience and remain committed to safely reopening more services over time.

Unless pre-approved per Dana-Farber’s visitor guidelines, patients are **not** permitted to bring a companion with them.

Masks must be worn during the entire treatment visit, even when the provider is out of the room. If you cannot tolerate wearing a mask for the duration of the appointment, your visit should be delayed.

View more helpful information, including visitor and parking guidelines, prior to your appointment by [clicking here](#).

Hours

8:30 AM - 4:00 PM

Monday - Friday

Virtual Group Programs

No Charge

All group exercise, meditation, and nutrition programs are virtual until further notice. For live and on-demand options, visit:
