

**Melissa Leach, MS, LGC**

*Genetic Counselor*

### **Biography**

Melissa received her Master of Science degree in Genetic Counseling from the Icahn School of Medicine at Mount Sinai in 2017. She joined the Center for Cancer Genetics and Prevention at DFCI in 2017. She provides genetic counseling services to adult patients across a wide range of specialties, such as breast cancer, colorectal cancer, and ovarian cancer. Melissa has particular interest in improving access to genetic counseling services in suburban/rural areas and cascade testing.
