**Krista Warren BSN, RN**

Oncology Nurse Navigator, Gastrointestinal Cancer Center

**Biography**

Krista's career in nursing began in 2008 after graduating from the University of Massachusetts in Amherst. She worked in an acute rehabilitation setting for over a year before transitioning to a hematology/oncology/transplant unit at Brigham and Women's Hospital. It was there that her love and passion for this unique patient population was solidified. She continues her career growth at Dana-Farber Cancer Institute by joining the Gastrointestinal Cancer Center team in January of 2019.
