Tracy Bell, MSN, RN

Oncology Nurse Navigator, Gynecologic Oncology

Biography

Tracy has been an oncology nurse navigator in the Gynecologic Oncology Program since December 2016. She serves as a tri-chair of the Oncology Nurse Navigator Committee. Before becoming an oncology nurse navigator, she worked as a research nurse on phase 1 clinical trials in Dana-Farber's Early Drug Development Center for 13 years. Prior to that, she was employed for 12 years at Tufts Medical Center in Boston as a staff nurse in bone marrow transplant/hematology/oncology and a research nurse for cutaneous T-cell lymphoma. Tracy received her master's degree in nursing from Salem State University in 1998.
