

Dana-Farber Cancer Institute

Christin Whalen, BSN, RN, OCN

Clinical Research Nurse, Gynecologic Oncology

Biography

Christin has a nursing career that spans more than 30 years. She first came to Dana-Farber in 1990, working on the bone marrow transplant unit before stepping away to raise a family. She returned in 2007 as a clinical research nurse in the Gynecologic Oncology Program. She sits on several nursing committees within the Institute.

When she is not working, she loves running a busy Airbnb on the coast of Maine.
