

**Golnaz Zamiri** is a rising Junior at the University of Connecticut studying Human Development and Family Studies. Golnaz got involved with the SHE Center after meeting Dr. Madani at the 2019 Iranian-American Women’s Foundation Conference, where Dr. Madani attended as a panelist. Through her work at the SHE Center, Golnaz is able to combine her interests in medicine, human development, and social justice. With this, she hopes to accomplish her overarching goal of emphasizing the importance of research on marginalized populations, as well as how research can be utilized to build cooperative

relationships between global health communities.
