Cancer Institute

Marlene Escobar

Patient Navigator, Cancer Care Equity Program

Biography

Marlene has a Bachelor's degree in Psychology, and is currently working on her Master's degree in Clinical Mental Health Counseling. She has experience working with children, youth, and families in underserved communities.

Marlene's past work experience includes in-home family therapy, therapeutic mentoring, case management, work with high-risk youth, and life skills teaching. In these roles, she has collaborated with community partners, services, and resources to better support and advocate for individuals with challenges.

Locations

Dana-Farber Longwood Campus, Boston, MA
